

130w portable power bank

What is a power bank?

The power bank combines ultra-compact dynamic power, maximum charging speed for every port, the advanced ActiveShield(TM) 2.0 safety system, unparalleled compatibility, and Power Delivery 3.0 technology, ensuring efficient and secure charging for all your devices.

How many devices can a power bank charge?

Whether you're charging your smartphone, tablet, or laptop, you can count on rapid and efficient charging every time. Maximize your charging efficiency with the ability to charge up to three devices simultaneously. Whether you're sharing power with friends or multitasking on the go, our power bank has you covered.

How much power does a laptop power bank have?

With a maximum power of 130W and two DC outputs - not to mention a variety of DC adapters included - this power bank is compatible with many laptops. That makes it useful for households with multiple types of laptops and devices. Unfortunately, this isn't TSA-approved, due to its 185Wh, over the 100Wh TSA standard.

What is the power output of krisdonia power bank?

AC Output: 130W(Max.) Krisdonia is the one-stop power charging solution for lots of customers from around the world. Builds in PASS THROUGH function, which means that it could power other devices while the power bank itself is charging. The function is activated by pressing the button for 2 seconds while the power bank is recharging.

How to use krisdonia AC power bank 27000mah?

Krisdonia AC power bank 27000mAh is designed to power small electronics for outdoor camping life and emergency need. The continuous power is 130W so it can not power the devices which rated over 130 watts. Kindly check the rate power of your electronics before using. Easily turn on the power bank by pressing the power button for 2 seconds.

Why should you use a power bank?

Whether you're travelling across the globe or commuting to work, stay powered up wherever life takes you. Stay informed about your power bank's status with the smart digital display. Monitor battery levels and charging status at a glance, ensuring you're always prepared for your next adventure.
