about Clear Power, power cable manufacturer over 40 years. Product include indoor outdoor extension cord, power strips, de-icing cables, power string lights, indoor and outdoor timers

Regular Cleaning: Outdoor power supplies should be cleaned regularly to prevent dirt and debris from accumulating on the device's surface. This can be achieved by using a soft-bristled brush or a damp cloth to wipe the device's housing. Securing the device: Ensure the power supply is properly secured to prevent it from falling or being pulled off its perch.
