

Nanya Portable Power Bank

What is a shared power bank?

Shared power banks are portable battery packs available for rent at various locations. These power banks provide a convenient solution for charging your mobile phone and other devices on the go. In China, this service has become incredibly popular, making it easy to find a power bank rental almost anywhere. How Do Shared Power Banks Work?

What is the best portable power bank?

ZDNET saves you time and money by delivering the best products and tech deals to your inbox every week. We've tested the best portable power banks, which are MagSafe, portable, rugged, and more, to keep your devices powered up. Here are our recommendations.

What features should you consider when buying a portable power bank?

Pass-through charging is another feature to consider; with it, you can charge your device and a portable power bank simultaneously. That's convenient if both your phone and backup battery are running on empty.

How do you use a power bank?

Payment is typically made through mobile payment apps like WeChat Pay or Alipay. Charge Your Device: The power bank comes with multiple cables, including micro USB, USB-C, and Lightning connectors. Plug in your mobile phone and start charging. Return the Power Bank: When you're done, return the power bank to any station.

Do power banks work in China?

Traveling in China can be an exhilarating experience, but staying connected can be a challenge. With long days of exploration, your mobile device can quickly run out of battery. Thankfully, shared power banks in China have revolutionized the way travelers stay powered up.

Do I need a power bank?

If you are charging a small smartphone, a simple power bank will suffice. If you plan on charging a laptop occasionally as well, or many devices at once, you'll want a power bank with more power and more features.

Here's the best power banks you can buy, and no extra junk. We only recommend batteries that we have tested and reviewed - and you can read more in-depth details on each ...
