Middle East - Recommendations for camping equipment in Riyadh? - Hi all, I need to buy a big family tent or a large car roof top tent in Riyadh. I know about the Al Sanadi chain, but their tents seem very overpriced (\$500 for a tent that in the US is \$150) and their range is fairly limited. Does anyone have a

An electrical device known as a power supply provides electricity to an electrical load. A power supply's primary function is to transform electrical current from a source into the proper voltage, current, and frequency needed ...

An electrical device known as a power supply provides electricity to an electrical load. A power supply's primary function is to transform electrical current from a source into the proper voltage, current, and frequency needed to drive a load. Because of this, power supplies are sometimes known as electric power converters. Power Supplies, TTI QPX750SP ..
