A Portable Powerhouse, the Jackery Portable Power Explorer 240 is a little bit like a hand grenade. No, it doesn't blow anything up. The comparison between the Jackery Explorer 240 and the hand grenade comes because they both may look small, but they each have the power you won't expect.. Not recommended for extended use, or use with rather large electronics, like ...

Outdoor power supply solutions for camping and emergencies. Reliable portable energy sources including solar generators and rechargeable batteries.

Portable power sources for camping should be easy to use and maintain. Many portable power stations come with user-friendly interfaces that make it simple to understand how much power is being used and how much is left. For example, some portable solar panels can be set up in just a few minutes and don't require special skills or tools.
