According to the Zhangjiakou Zhangbei County National Scenery storage and transmission demonstration power station, as of August 4, the first and second phases of the ...

Simple answer: Get the biggest and fastest external drive you can buy and which won't cause your wife to divorce you. (-) My Mac has a 3 terabyte internal drive and my Custom Scenery folder presently takes up about 1.85 of those 3 terabytes.

Does anyone have experience with storing your custom scenery on a physical drive? Currently my only storage are a 1Tb M.2 and a second 512gb M.2 so I guess you can say I've been spoiled with quick load times. Well to get to the point I am thinking of purchasing a 10TB external drive to expand the...

Based on the actual scenery storage field station, combined with the actual control system of the field station, a hybrid simulation platform of scenery storage co-generation is established, and the simulation verification of primary frequency regulation and virtual inertia function of the scenery storage field station is carried out.
