Will PGE supply ESS batteries in Poland?

SEOUL, March 25, 2025 - LG Energy Solution announced today that it has signed an agreement with PGE, Poland's largest energy sector company, to supply 981 MWh of grid-scale ESS batteries between 2026 and 2027. Both companies will collaborate to establish a battery energy storage facility in Zarnowiec, Poland.

How many GW of battery storage contracts are there in Poland?

Poland has concluded its 2028 capacity market auction, awarding around 1.7 GW of contracts to battery storage projects.

What factors affect the battery industry in Poland?

When exploring the battery industry in Poland, several key considerations come into play. First, the regulatory environment is crucial, as the European Union has set stringent regulations regarding battery production and recycling to promote sustainability and reduce environmental impact.

How many MW/800 MWh is a storage project in Poland?

The contract covers the design and operation of two storage projects, each with a capacity of 200 MW/800 MWh. The facilities will be located in Turosn Koscielna and Nowa Wieselcka, connecting to Poland's 110 kV and 220 kV transmission networks, respectively. Both projects have secured contracts in Poland's capacity market.

What is Poland's storage capacity market response?

The market response has been strong. Poland's capacity market auction in January 2025 saw total awarded storage capacity reach 2.5 GW, a 47% increase from 1.7 GW in 2024.

How big is Poland's power market?

Poland's capacity market auction in January 2025 saw total awarded storage capacity reach 2.5 GW, a 47% increase from 1.7 GW in 2024. Alexandra Radwanska, Poland country manager at German aggregator Next Kraftwerke, noted that Poland's power market is now larger than those of Belgium and the Netherlands combined.

Unlike most home battery makers, LG Energy Solution is a global battery cell manufacturer, manufacturing the battery cells that go in the home battery. Financially Strong LG Energy Solution is a profitable company, expected to reach USD 27B revenue in 2024.
