

Where to buy outdoor power supply in Latvia

Are there electrical outlets in Latvia?

No, the electrical outlets in Latvia are different from those in the United States. In Latvia electrical outlets of types C & F are used, while the United States has electrical outlets of types A & B. Do I need a travel adapter for Latvia? The electrical outlets and power plugs in Latvia are of types C & F (see images).

Where can I buy a power adapter in Latvia?

There are many different types of adapters available on Amazon that can be used in Latvia. You can purchase a universal adapter that will fit most outlets in the world, or you can purchase a specific adapter for Latvia. -> Find travel adapters on Amazon. What Voltage and Frequency Are Used in Latvia?

What type of power plugs are used in Latvia?

In Latvia, power plugs and sockets (outlets) of type F are used. The standard voltage is 230 V at a frequency of 50 Hz. For more information, select the country you live in at the top of this page. We don't sell power plug adapters. We refer you to Amazon, where you will find a great selection of travel adapters.

Do I need a travel adapter in Latvia?

Latvia uses electrical outlets and power plugs of types C & F (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. Are the electrical outlets and power plugs in your country different? Then you will need a travel adapter.

What is the standard voltage for power sockets in Latvia?

All power sockets in Latvia provide a standard voltage of 230V with a standard frequency of 50Hz. You can use all your equipment in Latvia if the outlet voltage in your own country is between 220V-240V. This is the case in most of Europe, Australia, the United Kingdom and most countries in Africa and Asia.

Do I need an adapter to use a charger in Latvia?

Chargers for iPhones, Android phones and other smartphones or cell phones are usually dual voltage, so you can use them all over the world. However, it is possible you'll need an adapter to plug the charger into a Latvia outlet. Latvia uses electrical outlets and power plugs of types C & F (see images).
